MONROE BED ACCESSORIES

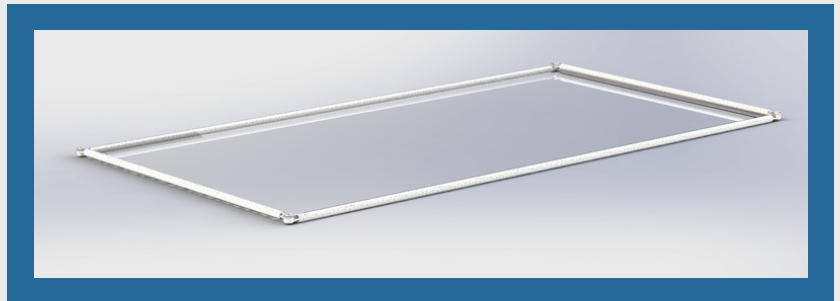

A convenient Hand Control can be added to allow the caregiver to attend to the person in bed while making adjustments to the head, foot or Hi-Lo at the same time.

Our Monroe Beds can accommodate up to 4 IV Poles. They can be mounted on any corner post.

Our Oxygen Tank Holder is designed to hang from any side rail in a place best suited for the child's needs, and can accommodate tank sizes D and E.

Our optional Vinyl Top Cover is a clear, soft-sided ceiling panel to help keep a child safe in bed while allowing them to see their complete surroundings.

Heavy Duty Bumper Pads cover the entire interior of our Stockton Beds providing excellent protection for seizure disorders.
