

## RACE CAR BED

### Electric Hi-Lo

Our Race Car Bed is an electric hospital bed with full length side rails, designed to feel like the patient is in a car not in a hospital bed, featuring bright colors and a fun dashboard design inside and race car graphics on the outside. It's available in smaller, child-friendly sizes rather than a full-size adult hospital bed.

#### FEATURES INCLUDED

- Electric Head Elevation to 45 Degrees
- Electric Knee Elevation to 20 Degrees
